ACCOMMODATION

Fanar Hotel & Residences offer a select and exclusive choice of accommodation options that are styled with accents drenched in tradition but perfectly combine contemporary amenities. Most rooms open out onto an outdoor balcony area with seating, and ocean view rooms have remarkable panoramic views of the Indian Ocean and marina. The hotel was designed by renowned Italian architect Sandro Serapioni, introducing an international flavor of design to the warmth of Southern Oman. There are 302 guestrooms and suites, all lovingly designed with complete comfort and luxury in mind.

The bedrooms are light, bright and modern, with enviable views of the sea, marina, lagoons or mountains. Gaze up as you're drifting off to sleep and you'll feel as though you're sleeping under the stars, as subtle lighting creates a calming and quite magical effect. Here at Fanar Hotel & Residences, we want you to feel at home, but carefree, in tranquil and stylish surroundings. Although there is plenty more to discover in the resort, each bedroom's thoughtful design, peaceful atmosphere, and enticingly comfortable beds may make it tempting to sleep in just that little bit longer.
